

**NriTYA Rupam is proud to present *NriTYA Fes* South Africa

This unique gathering was conceived for the benefit of teachers, students, and performing artists with a strong desire to excel in dance.

This year our focus will be on bharatanatyam, but more specifically on abhinaya, nritta and leadership through dance. The training will be offered at the advanced level offering a structured and nurturing learning experience incorporating a range of complimentary activities such as yoga; to encourage healthier dance practices.

Our guest artist this year will be Archana Vyasam, a multi-faceted and multi-talented dancer, choreographer and teacher, and a graduate of the renowned Kalakshetra.
